

Exploring cultural dimensions of simulation: Diversify, Debrief, Disseminate

# IPSSW2022

10-13 June, 2022

St. Petersburg, Florida

14th International Pediatric Symposia and Workshops

## PLAN TO EXHIBIT AND SPONSOR TODAY!

IPSSW brings renowned global experts to the world's largest meeting dedicated exclusively to pediatric and perinatal simulation. Support the physicians, nurses, researchers and educators in three days of in-depth discussion on the role simulation plays to provide safe and effective care for children and infants and the continued expansion of pediatric simulation across the globe.
